

Costs of the IntegraCloud EHR are detailed in the following table:

Capability	Description of Capability	Costs or Fees <i>Types of costs or fees that a user may be required to pay to purchase, license, implement, maintain, upgrade, use, or otherwise enable and support the use of the implementation or use of the capability -OR- in connection with the data generated in the course using the capability</i>
<p><i>EMR DIRECT - Direct Messaging</i></p> <p> §170.315(e)(1) §170.315(e)(2) §170.315(b)(1) §170.315(b)(2) §170.315(h)(1) §170.315(h)(2) </p>	<p>This functionality allows users to send and receive Direct-based messages to/from other users of certified health IT systems. Direct messages may include clinical data, notes, and other information.</p> <p>Our Direct offerings support related Meaningful Use and ONC requirements for sending and receiving transitions of care summary documents. We also support a range of other messaging options.</p> <p>Our Direct capabilities include bundled Health Internet Service Provider (HISP) services for facilitating message exchange. However, see limitations and additional types of costs that may apply for these and other third-party HISPs.</p>	<p>Monthly fee per provider + one-time setup fee</p>
<p><i>MEDLINE PLUS Patient Specific Education</i></p> <p>§170.315(a)(13)</p>	<p>This functionality provides encyclopedic information on health and drug issues and provides a directory of medical services. MedlinePlus Connect links patients or providers in electronic health record (EHR) systems to related MedlinePlus information on conditions or medications.</p>	<p>No Fee</p>
<p><i>EBSCO(DYNAMED) Clinical Decision Support</i></p> <p>§170.315(a)(9)</p>	<p>This functionality provides diagnostic and therapeutic reference information using the Info button standard.</p>	<p>No Fee</p>
